

E-frameTM

STRENGTH BY NATURE

Choosing the right timber wrap is more than just a necessity—it's a strategic decision that impacts your business.

NEW, INNOVATIVE TIMBER WRAP

Protect, Sustain, Succeed

At Pinepac, we're proud to introduce our innovative new timber wrap, designed to meet the diverse needs of modern businesses while prioritising sustainability and durability.

Why our Timber Wrap?

As well as proudly displaying high quality E-Frame timber in your yard, the wrap also has...

ADVANCED PROTECTION

Thicker and Tougher - at 120 microns, it resists tearing from fork damage and handling

UV Stabiliser - better protection from sunlight when stored outside

SUSTAINABILITY

Proudly Made in New Zealand - cutting transport costs and emissions

Recycling Initiative - We can recycle unused plastic wrap

Whether you prioritize sustainability, innovation, or cost efficiency, our Timber Wrap delivers unmatched value.
